Best Practices in 24/7 Open Library

S.K.V.T Government Degree College, Rajahmundry has initiated 24/7 Open Library Services in July 2025 to all college students as well as off-campus students who are preparing for job oriented competitive exams. The library services include organized collection of books, journals, sophisticated reading hall, exam specific books, e-library. Overall, the library functions as a knowledge hub that supports teaching, learning, and research while promoting the efficient use of information resources.

24/7 Open Library:

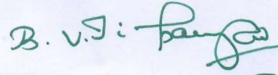

The objective for the 24/7 facility is to provide a continuous study time in a peaceful environment to all teachers, students and research. The e-library provide access to resources through ONOS service boosting knowledge access.

The initiative to provide library service to off-campus students has received interest which will help them in future endeavors with access to competitive exam books and e-resources.

Digital Library:

The digital library of the college gives access to internet, e-books and help students build their knowledge efficiently.

Note: Outsiders can utilize the opportunity on conditional permission.
