

**PM-USHA – SOFT COMPONENT ACTIVITY REPORT
(PROGRAMME-WISE)**

➤ **Basic Information**

Name of the College: **SKVT Government Degree College**

Component: **Training Programme**

Type of Activity (Training / Seminar / Workshop / **Conference** / Student Capacity

Building Programme / Faculty Development Programme (FDP) / Awareness Programme):

Title/Theme of the Programme: **Cloth Bag Making**

Organizing Department: 1. Women Empowerment Cell

2. IQAC

Date(s) of Conduct: 21-01-2026 to 22-01-2026 Duration:

Two days

Venue: Seminar Hall – Vivekavardhini Block Mode

(Offline / Online / Hybrid): Offline

2. Objectives of the Programme

- Understand what patchwork is and its uses in bag making.
- Identify basic patchwork methods such as cutting, joining, and stitching fabric pieces.
- Understand the purpose and features of a laptop bag (size, padding, compartments).
- Develop patience and precision while aligning patchwork pieces and stitching.
- Understand how patchwork and handmade laptop bags contribute to sustainable and eco-friendly fashion.

3. Resource persons Details:

The training programme was effectively supported by skilled and experienced resource persons with professional expertise in tailoring, fabric crafts, and creative patch work. The trainers possessed practical knowledge and hands-on experience in fabric bag production, creative design application, and product finishing techniques.

The role of the resource persons was multifaceted and integral to the successful implementation of the programme. They conducted live demonstrations of various stages of fabric bag making, including fabric selection, cutting methods, stitching techniques, lining, foam fixing, and patch work design application. In addition, they closely supervised hands-on practice sessions, ensuring individual attention to each participant.

The trainers also guided participants in product design, quality control, and finishing, enabling them to produce durable, aesthetically appealing, and market-ready fabric bags. Continuous feedback, error correction, and motivation provided by the resource persons played a significant role in enhancing the skill levels, confidence, and creativity of the participants.

5. Programme Description

The Inaugural Programme of the Certificate Course on [Fabric Bag Making](#) was held at S.K.V.T Government Degree College, Rajamahendravaram, with the objective of enhancing students' employability and entrepreneurial skills. The programme was jointly organized by the Women Empowerment Cell, under the guidance of COWE Secretary-I Smt. Vijayalakshmi and COWE Secretary-II Smt. Suseela, in cooperation with S.K.V.T Government Degree College, Rajamahendravaram.

The programme was presided over by the Principal, Dr. B.V.Tirupanyam, who emphasized the importance of skill-based courses in promoting self-employment and environmental protection. She highlighted that fabric bag making reduces plastic usage while equipping students with practical skills and entrepreneurial thinking. The IQAC Co-Ordinator Dr. Y.Swarna Sri, and Mr.G.Sarath Babu PM USHA Co-Ordinator spoke on the need for skill-oriented education and explained the environmental hazards of plastic, stressing that fabric bag making is an eco-friendly and viable self-employment opportunity.

Smt. Vijayalakshmi and Smt. Suseela addressed the gathering on the harmful effects of plastic and the employment potential of fabric bag making. The programme was attended other faculty members and students.

6. Outcomes/Impact of the Programme

- Understood the importance of cloth bags
- Learned market opportunities
- Recognized the role of skills in women empowerment
- Gained the ability to make a basic grocery bag.
- Took the first step towards self- employment.
-
- Master advanced stitching techniques
- Understood quality standards for market-ready products
- Recognized business scope in laptop bags
- Completed the training with industry-relevant skills

- All participants successfully produced multiple types of fabric bags
- Improved practical tailoring, design and finishing skills
- Enhanced confidence and entrepreneurial awareness among students
